Dear International Customer,

As you can see from the rest of this issue of *The Status Line*, major changes are happening with the way we at Infocom are conducting our direct mail business. We know that once Triton has settled into place, we will be offering all of our customers the absolute finest in mail and phone service

In the meantime, however, Triton is not yet able to process international orders. Therefore, all orders from folks outside of the United States and Canada should still be sent to our fulfillment firm in Cresskill, NJ. They will still be offering you all of the services they have been offering Infocom customers.

But don't feel as if you're being left out in the cold! All the **special prices** you see in this issue of *The Status Line* apply to you as well, plus you can get any one title listed in red (Deadline, Suspended, Infidel, Starcross, Witness) **ABSOLUTELY FREE** if your order exceeds \$75.00! Or you can get any **TWO** of them **ABSOLUTELY FREE** if your order exceeds \$125.00!

To place your order, simply fill out this order form carefully and completely and mail it back to us at:

Infocom International Orders, P.O. Box 478, Cresskill, NJ 07626, USA

(Please use the following codes, not the ones in the catalogue, when ordering from Cresskill. Both the product code and the system code should both be written in the Catalogue No. space on the order form.)
